Sep 28: HMC FALL ALL FORD CAR SHOW is coming up. Need everyone's help. The T-shirts for the show are being ordered by Valarie and she is collecting money tonight. Dave Sell has designed 2 new banners that we will be able to use every year. There is a space where the date can be changed. Dave Murphy is taking care of getting the trophies made and there will be 50 made for the top 40 and other categories.

Oct 19: FALL FOLIAGE TOUR is still being planned. Joel & Tina Wise have volunteered for us to end at their home. Have several club member birthdays we can celebrate then. More to come on this event.

Dave Sell reported that we are up to date with Go Daddy. Through Google we have discovered that our site has been viewed in more than 12 countries. Very important to keep it updated.

OLD BUSINESS:

Joyce Artis has been working on getting our club to be compliant with the state for our non profit status. There was a mix up with our EIN number, so we are waiting for the federal to send a letter stating the correct number so we can satisfy the bank. It states in our by-laws that we conduct an audit yearly. This is something we need to do to avoid any issues in the future. Thanks Joyce! Dave Sell knows of a free program through Quick Books that can help us track our financials and record keeping. He is willing to do a demo for us sometime this winter. More details later.

NEW BUSINESS: CAR SHOW

We need a board listing sponsors for display at the car show. Frank is going to see if he can find the boards we used before, to see if they can be updated.

There was discussion about giving recognition for the youngest/oldest/traveled farthest at the show. We will need help assembling goodie bags soon. Meet tentatively at Franks shop Monday the 16th @ 6:30 pm. to discuss door prizes and give aways. We have quite a collection that has been donated. Ishmael Johnson-Bey is on board for the food and drinks. The marathon is in Columbus same day as our show. We need to let clubs coming to be award of this so they can adjust the route they need to take. Love Chapel and Salvation Army will be present the day of the show.

MOTION TO ADJOURN by Frank Bayles/seconded by Dave Sell
