3. Officers report

a. President – Jim Skalski

1. Club outlook

Jim joined the club 9 years ago, and the club is more like a family. When personal things happen to people, the club rallies around them. Sometimes we may not agree, but that is okay. Jim stated he may make a mistake, but he has thick skin. He is looking forward to the next 2 years, and appreciates everyone's support.

b. Treasurer – Frank Bayles

1. Funds & expenses updates.

10/30/2024 - balance \$1,922.13

Collected \$500 from Ford of Columbus (they send us a check quarterly)

Money collected for dues and Christmas Dinner - \$394.56

Go Daddy - \$203.76 and \$167.88

Current Balance as of 03/12/2025 \$1,811.42

c. Vice President – Jerry Mihay - He goes along with the same thing that Jim was saying. We have a group of people that help take care of things. We serve all, and if you don't like to do shows, you can do other activities. The club members provided a lot of great ideas at the organizational meeting.

d. Past President – Joel Wise - not present

e. Activities coordinator – Dave Sell

Talked about the planning committee meeting. Dave tried to contact the local Columbus club to coordinate C&C and no response. A week ago they made a comment on FaceBook that they are planning a C&C in Columbus this Spring. Dave is not sure what to do to coordinate with the other club. Jerry suggests that we do not schedule our C&C the same day as theirs. Suggest to attend the other C&C and participate. Dave will look on FaceBook and check the dates of the other clubs C&C, and he will put it out there with the details.
