## 2. Discussion

Our show Pony Cruise options. Val has contacted Ertel's Winery and after looking at their cost, we may want to look at other options. The club decided not to go to Ertel's Winery

Potential options: Cruise to Clifty Falls SP and eat at the cafeteria there. Or Cruise to Skillman Car Museum/Collection and eat somewhere in Greenwood.

\*Club selected Cruise to Clifty Falls SP for the Pony Cruise for the car show.

\*Decided to cruise to Skillman Car Museum/Collection as a club on another date

Our show judging classes.

Do we want to split the "Feature Car" (2005-2014 Gen 5 Cars) to 2 separate classing?

The 2005-2010 Gen 5s with the 4.6L engine, and the 2011-2014 Gen 5s with the 5.0L engine?

Val motioned to accept the feature car as 2 separate classes, and 2nd motion by Shirley Bozell.

Dave was communicated by a contact at the Columbus airport today about the Columbus Car Cruise and car show at the airport. It was decided by the club members to participate at the event and show our cars on June 7th from 8:00 am - 12:00 pm

Discuss upcoming Cars and Coffee on August 23rd and October 4th - will we have coffee and breakfast catered in by Ishmael? Yes, Shirley Bozell has made arrangements with Ishmael. C&C will be at Master Power location both dates from 8:00 am - 11:00 am

Ishmael will be offering the fish and tenderloin at our car show in September.

Bring your ideas for car show trophies to discuss at our next meeting.
