The next meeting will be held on Wednesday, February 8, 2012 at the Golden Corral. Come join us for dinner beginning at 6PM with the meeting to follow at 7PM.

Its 2012 and we are gearing up for another fun year here at the Hoosier Mustang Club. The February meeting will be the first meeting of the year and the first meeting with the new leadership team.

The new executive board met on January 11th to make the change over and start planning for the new year. The main thing that we wanted to get done right away was updating the club constitution and by-laws. The updates included adding a statement that we operate as a non-profit organization and making all members dues due at the beginning of the year. We also updated some things to reflect how we currently operate. We will go over all the changes at the February meeting.

We also talked about the Hoosier Summer Slam car show. Tammy is already spending a lot of time planning this year's show. In February, Tammy will start having monthly car show planning meetings. Please support Tammy in planning our second annual event.

On Saturday February 11th we will have a meeting to set up the activities for the year. This meeting will be open to everyone to attend and help set the activities for the year. We are looking for new activities and members to sponsor each of them. We will talk more about this at the February meeting.

As you can see we have a lot going on preparing for the year. I also know several members have winter projects going on with their cars to get them ready for the summer. I have been spending all my free time assembling a 65 Fastback for a customer and I also have several projects to do on both mine and my dad's cars. Frank should be getting the 95 Mustang he has been working on for the past year back from the paint shop soon and will begin the process of putting it back together.

I'm looking forward to another great year with the club and hope you are too!

Kyle
