## Meeting Minutes ...

**Wednesday, August 20, 2014**

### **OLD BUSINESS**

- The club welcomed John and Alice Curry back to the meeting. Wonderful to see how great John is doing. Continue to keep John and Alice in your prayers.
- Several club members attended the Sellersburg & Southside shows.
- Four club members attended the Ray Skillman show.
- Our club won the club participation trophy at the Corvette Club's car show on 7/12. Those participating were entered in a drawing for the trophy. Andy Johns won the trophy.
- The Treasurer's Report was given. The account balance is \$3188.59.

- Shelby Murphy received a statement from the post office for renewal of the P.O. Box. Options are a 6 month renewal for \$28 or 1 year for \$56. Rick Mackey made a motion that we renew for one year. Jim Bott seconded the motion.
- The Ice Cream Social was held on 7/12. Several club members attended. Great food and fellowship.
- Tammy Barker gave an update about our Summer Slam Car Show on August 9<sup>th</sup>. She stated that \$1875 has been raised as of now and 9 people have pre-registered. Additional money is still coming in. There will be another car show meeting on Wednesday, July 23<sup>rd</sup>. Tammy also reminded everyone to bring items for the Bake Sale which will be held during the show.
- Mike's Car Wash is willing to donate coupons for the car show. Tammy will send them a letter regarding the show. The Visitor's Center donated goodie bags for the show.
- Joe Draper (former DJ) said the club can use his equipment for the show again this year. He is interested in selling his equipment. The club may want to consider purchasing it for our annual car show. Frank thinks he's asking \$400. He will make sure so we can decide if we are interested. Biggest concern would be a place to store it and a way to transport it to the show.
- The club recognized Tammy Barker for all of the work she puts into the Summer Slam. She continues to do a great job and we ask that everyone please show their support in helping make the show a huge success. Help is still needed day of show. Please plan to participate.
- We have received 15 responses to the Questionnaire. Frank Bayles made a motion that we allow members another month to complete the Questionnaire. Dave Sell seconded the motion. Julia Murphy is going to send out another link for those who have not yet completed it. The Questionnaire is completely anonymous so please be sure to respond. If you would prefer to have one mailed to you, please contact Julia at 812-498-6899.
- Dave Sell showed a video tour of the Mustang plant. The video was very interesting and a great addition to the meeting. Thank you, Dave!
- Another group was waiting to use the meeting room so the meeting adjourned immediately after the video was completed.

## **NEW BUSINESS**

- Summer Slam Car Show update... 80 paid cars for show. Participant Complaints: Bikes and Dogs allowed at show; Participant Compliments: Great Food; Best organized show.

Five new members joined the day of the show.

Suggestions for next year: Get flyers out early for sponsorship; Use Facebook more often to make others aware of show; Check with other clubs to see what they do to increase attendance (Eddie w/ Southside would be a great contact for info); More help needed prior to show.

Frank made a motion to keep the same date for the show (2<sup>nd</sup> Saturday in August) Rick Mackey seconded the motion.

Rick Mackey suggested that we check into the cost and specifics of a Gaming License. We would then be able to have a 50/50 and Raffles during the show. Frank will get Tax ID number so Tammy can get information.

Charities for the 2014 car show were Love Chapel and The Cheer Fund. Frank suggested we concentrate on one charity next year. Love Chapel is all volunteer and 100% stays in the county. He suggested the club discuss this and decide what to do for the 2015 show by the end of this year.

A couple of members suggested we might want to do a service project sometime during the year for possibly the Habitat for Humanity organization.

- The Board thanked Dave Sell for the video at the last club meeting and for being the DJ at the car show. Tammy Barker was also recognized for all of the work and effort she puts into the Summer Slam car show.
- Somerset Car Show this coming weekend (September 23<sup>rd</sup>). An e-mail will be sent with details and meeting time and place for those wanting to attend.
- The former DJ had originally thought he would sell his sound system. He has changed his mind, but will continue to let the club use it for the car show
- Ritters closed early this season. They are unsure as to what they will do next year as far as re-opening. Frank picked up our wall plaque that was displayed there. Due to their situation we may have to decide on a new place for next year's cruise-in's. It was suggested that we check into the Fair Oaks Mall parking lot (near the former K-Mart store). Frank will check with the mall to see if we can use the parking lot. Tammy suggested we have vendors set up during the cruise-in's and possibly see if the Clarion would be interested in doing off-site catering there once a month.

- Next shows: Madison's Rockin' on the River (8/30); Derby City September Stampede (9/6; Vevay's On the River Car Show (9/13); Columbus' Hot Rods & Rock n Roll (9/20)
- Treasurer's Report: Balance is \$2397.84
- Hope Heritage Days Car show on 9/27 is in memory of Doug Thayer. The parade is on Sunday, September 28<sup>th</sup>. Kyle Weidner is taking care of registration. Tim Blaney mentioned doing a cruise after the parade and stopping somewhere to eat. Dave Sell will check with Terry Able to see if he has a suggestion as to where to cruise/eat.
- The Questionnaire was discussed. Several members feel that we should return to a restaurant for our monthly meetings. Frank will check with Sirloin Stockade and Golden Corral. The Sirloin Stockade originally wanted a guaranteed number of people in order to use the room at no charge. It was suggested that we see if they will waive this requirement if we come on a night when they are usually slow.
- Voting this year for Board Members will include positions for E-mail/Public Relations person and an Activity Coordinator.
- The Hot Rod's and Rock n Roll car show is on 9/20. Rick Mackey made a motion to have Hoosier Mustang Club business cards printed up (possibly 1000) to hand out at the show and future events along with a banner (approximately 3x8). Tammy seconded the motion. Dave Sell will design the card and banner. He will come up with a proof this week. Tammy will order from Vista Print. Rick made a motion that it look similar to the dash plaque; leave off the sponsors and put the founded date; include the website and Facebook page. Tammy seconded the motion.
- It was mentioned that we may want to attend the First Friday Cruise-ins at the Historic Courthouse Square in Danville, Indiana. They are held on the first Friday of each month from 5:00pm-9:00pm. The last one two will be September 5<sup>th</sup> and October 3<sup>rd</sup>. This event is free to all types of vehicles. Great casual event where local shops and restaurants stay open around the square.
- Fish Fry at Frank's shop (Bayles Fabric and Upholstery, 10140 South US 31, Elizabethtown) will be on Friday, September 19<sup>th</sup> at 6:30pm. We've had a great turnout in the past and look forward again this year to the food and fellowship.
- NMRA Finals will be the first weekend in October (10/2 to 10/5). Held in Bowling Green, Kentucky
- Frank made a motion to close the meeting. Dave Sell seconded. Meeting adjourned.
