Meeting Minutes ...

Wednesday, June 18, 2014

OLD BUSINESS:

- Minutes from the last meeting were posted on overhead screen and reviewed by club members. Frank Bayles made a motion to approve the minutes; Julia Murphy seconded the motion.
- Attendance was extremely low for this club meeting. It was suggested that a leadership meeting should be held to address what could be done to improve our club. Plans are to draft a Questionnaire to send out to the club members to get feedback/ideas on what we can do to make the meetings and activities more fun and enjoyable.
- It was suggested by a club member that we try to schedule a speaker from various businesses to give a presentation during a portion of our monthly meetings to help make them more interesting and informative. We will also address this in the Questionnaire.
- Tammy Barker suggested we send a postcard to those who haven't been regularly attending the meetings.

- An e-mail will be sent prior to the monthly club meeting as a reminder to attend.
- Valarie Sell and Tammy Barker purchased Door Prizes from Wal-Mart for the Bob Poynter Show. David Murphy made a motion to reimburse them. Julia Murphy seconded the motion.
- We had a great turnout for the Club Picnic at Brown County. The shelter house worked much better and provided better accommodations in case of inclement weather. It was suggested that we plan to use this same shelter house for next year's picnic. We also discussed changing the time to 6:30pm for convenience of club members.
- The Bob Poynter 50th Anniversary Car Show was very successful. Several people attended. Our club had approximately 17 to 18 cars. We are in hopes they continue this next year. If so, plans are to advertise more to draw in even more cars.
- A few members attended the Spring Fling Car Show in Brown County. Attendance was low this year, possibly due to the 50th in Charlotte.
- Members that attended the 50th in Charlotte had a great time. It is in hopes that they are better prepared for future shows. A few club members sent e-mails to express their concerns about public relations and communications. MCA did not seem to handle things well and hopefully feedback will help with their next big event. The drive to Charlotte was very enjoyable.
- The Ice-Cream Social is scheduled for 7/12 at the shelter house in Hartsville, IN from 5pm-7pm. Frank Bayles stated that Kyle Weidner is in need of volunteers to make ice cream. Please contact Frank if you will be able to provide some.
- There were several Mustang's at Ritter's, however, the Corvette Club has not yet attended. When discussion was made about the yearly competition with the Corvette Club, Tammy suggested that we focus more on growing our club rather than having a competition.
- Summer Slam Car Show- Tammy Barker reported that donations are coming in along with some items for the Goody Bags. She suggested we check with Ritter's about serving ice cream during the show. If they cannot commit she suggests we see if Yo Mama's might want to provide yogurt during the show..... The DJ has been scheduled. It will either be the regular DJ or his nephew.... Tammy stated we still need to get the word out about donations and to pass out as many flyers and advertise on as many websites as we can..... Last year we had enough door prizes that everyone registered received one. We would like to be as successful this year.

Frank Bayles proposed we close the meeting. Dave Sell seconded. Meeting was adjourned.

Please continue to work in support of the club. The next car show meeting will be on 6/25 at the Clarion Hotel at 6:30pm. Tammy will send an e-mail as a reminder.
- A questionnaire was drawn up to get feedback on ways to improve the club. A few were passed out during the meeting. The same one will be e-mailed to club members so they can fill it out online.
