### Reports of Committees:

Fall Car Show discussion on what went well and what didn't go so well. Suggestions from Valarie were that the flyers need to include cut off time for registration and that outside vendors/booths need to know there will be a flat fee of 25.00 and will have to sign a waiver to set up during the car show. Maybe a trophy for best in each class. Also maybe have a Venue Choice Award as well. Jim wants to improve on the judging of engines for i.e. originality and or improvements. He will work on this. Next Car to be September 21, 2024. We will continue with Ismael and get him on board ASAP. Frank to get Thank you cards for Master Power Transmission, Sams club for donating half the cake and cupcakes as well as a couple other sponsors.

### Old Business:

VP Don to check on why members that are not paid up are still on emails. Frank Bayles was voted back in as treasurer via a unanimous vote with Dick Bozell motioning and RP Jones second the motion.
