The next meeting will be held on Wednesday, JULY 11, 2012 at the Golden Corral. Come join us for dinner beginning at 6PM with the meeting to follow at 7PM.

Hello Its still June but we are going to try to start getting the newsletters out earlier in the month so that you will have all the information about the upcoming events before they happen. We do have a few activates later this month and next month before the meeting.

On June 30th as the annual Road Rally. This is one of my favorite events each year and Amanda and I along with my parents will be hosting it this year. For the new members the road rally is a timed drive along a route that I will give you the day of the event. I will send each car out on the drive separating them by 3-5 minuets and then record the time it takes each car to get to the finish. I will drive the route one day before the event at a normal speed and the person with the time nearest to mine will win a trophy and bragging right for the year. After all the cars get in from the drive we will have a pitch-in cookout. After the cookout we have talked about going on up to the Suds in Greenwood for the cruise-in. All the info for this is below.

On July 4th we will be taking a drive down to French Lick and ridding the train. We will meet for breakfast before the drive and go down. We did this two years ago and it was a really good time. Again you can find the info below.

This past Tuesday night we had a great turnout at Ritters. We all meet at Wal-Mart and came in as a group. I think we had 27 Mustangs parade into Ritters then park together in the field across the street. I think we had 31 cars by the end of the night. It was great to see that many club members together.

The last thing I have to talk about today is the trip up to the Auburn Cord & Duesenberg museum in Auburn, IN. This trip is Saturday July 28th. It will be a bit of a drive but I think it will be a great museum to see. Chuck Buttler is setting up this event and needs to have an idea of how many people will be attending. If you would like to go please let me or Chuck know.

Kyle

The 2012 HMC Road Rally is June 30th. We will have the timed drive starting at 2:00 and then a Pitch in dinner after the drive. Hamburgers and table service will be provided. Please bring a covered dish and your own drinks. For those wanting to drive in the Road Rally we will meet at 2:00 pm at JC Food Store on the west side of Columbus. For those of you that would like to join us for just the pitch in it should start around 4:00 pm at the large shelter house at Irwin park in Edinburgh.

On July 4th we will have a drive down to French Lick to ride the French Lick Scenic Railway. We will meet at 8:30 am at IHOP on the west side of Columbus for breakfast then drive down. We need to check in at the train station by 12:30. The cost of the train ride is \$15.00 per person.

OLD BUSINESS

Ritters Cruise-in: We have the Corvettes by 3 cars. Frank reported on the traveling trophy which is held by Corvette Club—We also want to meet this next Tues at Wal-Mart parking lot and parade in as a group at 6:00 pm. Lets see if we can have lots of cars and make a grand entrance. We will probably have to park in grass field across the street from Ritters. Everyone please come if possible.

Make a Wish Foundation Cruise-in was held May 19th. They raised \$2800 the day of the show

which didn't make their goal of \$4000 but they were so pleased with what they did get. They had lots of events going on that day. We had 4 of our club members attend that event, Thanks for giving them support.

May Pitch-in at Brown Co. State Park was a nice evening. We had about 25 people there. Special thanks goes out to Dave & Valarie Sell for setting up area and also to Rick Trevey for bringing the brats.

Shelby Spring Fling at Brown County Park was held May 19th. Frank, Ed, Doug, Scott & Tammy Matt Marlin, and the Conners attended this event. Had a very nice day but we also had another exciting event going on that day: RUSSELL & LEAH KUHN WEDDING! CONGRATULATIONS to the Newlyweds!! It is exciting to know that they actually met each other in the club.

Indy 500 Community Day at the track was Wed. May 23 with the Corvette Club. Frank reported that this was the largest group with both clubs together, 26 cars. Our club had 6 cars: Bayles, Butlers, Doug & Lisa, Terry Able, Mackey, and Matt Marlin. Our club met at Cracker Barrel and had a nice breakfast before traveling to track.

Madison Car Show was May 26th. Frank went and also Fred Connor won a trophy for his 68 California Special. Congrats Fred!

Elizabethtown Parade—June 2—7 club members attended . Beautiful day! Club won a trophy. Had a drawing for it and the Curry's won.

Big Lots Cruise-in didn't go over so well. 4 cars & fire truck. There was a lack of communication. Try again later.

Frank talked about the monthly cruise-in at O'Reilly's—changed it to 1st Sat of each month in order to accommodate those who work 2nd shift on Fridays.

Car show at Moose Park was attended by Billy Danforth, Terry Able, Fred Conner—2 top 40 trophies. 110-120 cars but we learned what not to do in organizing a show. More organization.

Bloomington Car show, Spencer show, Clay City show: Steve Weidner attended those and received best paint at one, and 2nd place Muscle Car at another.

Suds—Several club members gathered and went June 2nd. Had a nice evening together but light attendance in all, probably due to graduations.

Information about ordering shirts please refer to June Newsletter. Discussion was brought up about ordering at least one uniform color shirt that we can wear at certain events to be unified. We decided on Ford blue as the color. Frank is going to check on ordering these.

Amanda & Lynn Weidner volunteered to make ice cream along with the Botts. Corvette Car Show is earlier the same day. We will have more details about both in next meeting.

Auburn Museum Trip is scheduled for July 28. We need to know how many are planning to attend. It will be about a 4 hour trip with a ½ hour stop for breakfast if we take mostly state roads. By interstate 69 it will be about 3 hours. The Butlers are heading up this event.

Somerset KY trip is coming in August 24-26. Now is the time to plan for room reservations.

2012 Hoosier Summer Slam Car Show planning was reported by our car show chairman Tammy. Next meeting is Wed. June 27 at Scott's shop. We will be finalizing the purchase of trophies, organizing committees and asking for volunteers. We have one registration already in. We still have \$ coming in.

Betty Black, a longtime member of our club, mother passed away. The viewing is Friday and we will be donating \$25 to a charity of her choice.

Steve Weidner has brought up the idea of establishing Honorary Membership to those longtime members, which would mean that no dues would be owed by them. Discussion will continue later as this probably needs to become part of the by-laws.

Car Show at Silver Oaks Retirement Center on Central Ave. on Thu. June 21 at 6:30. They are asking for can food donations.

Recipe Corner

Since the weather has been soooo nice and hot I thought about my favorite refreshing frozen dessert!

FROZEN BLUEBERRY DESSERT

- 1 can blueberry pie filling (or any fruit filling)
- 1 can sweetened condensed milk
- 1 (8 oz) tub Cool Whip
- 1 (10 oz) can crushed pineapple

Mix all ingredients with a mixer and pour into a 13x9 inch pan. Keep covered and in the freezer until frozen. Serve frozen.

ENJOY! Sandy Bayles
