The next meeting will be held on Wednesday, JUNE 13, 2012 at the Golden Corral. Come join us for dinner beginning at 6PM with the meeting to follow at 7PM.

Its June already! It's amazing how fast this year is flying by. One of these days I hope to have some time to get out and enjoy my Mustang some more. I have only had my 65 out three times this year. I went to my first car show of the year this past weekend. It was a small show in Bloomington with my dad. He got second place in the muscle car class. I didn't get a trophy but after fixing a number of issues on my car it is running better than it ever has. I have also just taken on another project for a guy my dad knows. It's a good size rust repair job on a 69 Fastback.

Last month was a busy month. We had a real good time at the Friday night cook out at Brown County State park. I would like to thank Rick Trevey for bringing the brats, Dave and Valarie Sell for bringing the table service, and everyone else that attended and brought all the great food.

On the 19th the Make a Wish cruise in Greensburg raised \$2800 and for all the events they had going on that weekend they are expecting to have raised around \$4000.

On Saturday July 14th is our annual ice cream social. Ruthie has been the host for the past several years but is unable to host again this year. We are looking for a club member that would like to host this event this year. We will need a location to have it and at least one more person to bring some homemade ice cream.

June 30th is our annual Road Rally. We are still working out the details. We will have everything set and all the details for you at the June meeting. I will also send out an email to everyone once I have them all worked out.

BUCKEYES

Ingredients

1 ½ cups peanut butter
1 cup butter softened
½ teaspoon vanilla
6 cups confectioner's sugar
4 cups semisweet choc chips

Directions

1. In a large bowl, mix together peanut butter, butter, vanilla and confectioner's sugar. The dough will look dry. Roll into 1 inch balls and place on a waxed paper-lined cookie sheet.
2. Press a toothpick into the top of each ball (to be used later as the handle for dipping) and chill in freezer until firm, about 30 minutes.
3. Melt choc chips in a double boiler or in a bowl set over a pan of barely simmering water. Stir frequently until smooth.
4. Dip frozen peanut butter balls in choc holding onto the toothpick. Leave a small portion of peanut butter showing at the top to make them look like Buckeyes. Put back on cookie sheet and refrigerate until serving.
