Old Business:

-Recap of the Hoosier Summer Slam Car Show—Tammy reported that the club's first annual car show was a success. The weather cooperated and everyone came together at 6am and put everything together for when the first participant arrived at 7:45. The kids loved the jump house and the lemonade shakeups and ice cream from Ritter's were enjoyed by everyone. We had a winner in the basketball contest and we received several emails and letters from participants letting the club know that the car show was a successful event and that they hoped that the club would consider having future car shows. The true joy of the day was Love Chapel receiving over 346 cans of food donated by the participants and them and Hospice receiving checks for \$1617.75 each from the monies that were raised during this entire event. Frank Bayles expressed a special thanks goes out to Scott Barker for doing such a great job as the car show chairman. Two names were drawn from all the members that helped with the car show either the day of or by bringing in donations. Kyle and Steve Weidner's names were drawn and they each won a \$25.00 gift certificate from Applebee's and one from Papa's Grill. Each of these vendors gave the club gracious donations for the car show.

S'MORE BROWNIES

Ingredients

Crust:

- 6 tablespoons [unsalted butter](#), melted
- 1 1/2 cups crushed [graham cracker](#) crumbs
- 2 tablespoons sugar
- Pinch fine salt
-

Brownie:

- 8 tablespoons (1 stick) unsalted butter
- 4 ounces [unsweetened chocolate](#), chopped
- 1 cup packed light [brown sugar](#)

- 3/4 cup [white sugar](#)
- 1 1/2 teaspoons pure [vanilla extract](#)
- 1/2 teaspoon fine salt
- 4 large cold eggs
- 1 cup [all-purpose flour](#)
-

Topping:

- 4 cups large marshmallows

Directions

Position a rack in the lower third of the oven and heat oven to 325 degrees F. Line an 8 by-8-inch square baking pan with foil so it hangs over the edges by about 1 inch.

For the [crust](#): Lightly butter the foil with some of the melted butter. Stir the rest of the butter together with the crumbs, sugar, and salt in a medium bowl. Press the crumb mixture evenly over the bottom of the pan. Bake until golden brown, about 20 minutes.

Meanwhile, make the brownie. Put the butter and chocolate in a medium microwave safe bowl. [Melt](#) in the microwave on 75 percent power for 2 minutes. Stir, and microwave again until completely melted, about 2 minutes more. Alternatively, put the butter and chocolate in a heatproof bowl. Bring a [saucepan](#) filled with 1 inch or so of water to a very slow [simmer](#); set the bowl on the pan without touching the water. Stir occasionally until melted. Stir the light brown and white sugars, vanilla and salt into the melted chocolate. Add the [eggs](#) and beat vigorously to make a thick and glossy batter. Add the flour and stir until just incorporated.

Pour [batter](#) into the prepared pan. Bake until the top is crispy and a toothpick inserted into the middle comes out mostly clean, with a few crumbs, about 40 to 45 minutes.

Remove from the oven and carefully position a rack about 6 inches from the broiler and preheat on low. Layer marshmallows across the top and toast under the broiler until golden, (keep an eye on it, it can go quick), about 2 minutes. Cool on a rack, gently removing the [brownies](#) from the pan using the aluminum flaps. Carefully separate any [marshmallow](#) from the foil and fold away. Cut into 12 (2-inch) squares.
